Re-Union Notes.

The entertainment features of the re-union will be a first-class band. Just what one has not yet been decided. Fireworks in the evening and a game of base ball each day.

All householders of Yale will be called upon within the next few days by the re-union soliciting committee. Baked beans, brown and white bread, cakes, milk and butter are the food articles which will be asked.

Many eminent speakers are being invited, and it is quite possible that Yale may see some national celebrities at the coming re-union.

As there will be no fair or races in Yale this fall, all business men and citizens generally should take hold of the re-union and do everything in their power to make those two days an occasion to be remembered.

Get Ready For It.

The proposition to hold a great Jubilee Picnic was thoroughly discussed and unanimously adopted. It was decided that an invitation be extended to the Knights and Ladies of the counties of Lapeer, Macomb, Sanilac, Huron, Tuscola, Saginaw and Bay to join with St. Clair county in celebrating the 21st anniversary of the Great Camp, the parent Order of the Maccabees, a full grown, progressive and pushing beneficiary society with a record for good management and low cost of protection unequalled.

They believe it is now the time for a great gathering of the members and their friends, their relatives, fathers, mothers, sisters, brothers, uncles, aunts, nephews, nieces, sweethearts and lovers, and have a general jollification.

The Executive Board of the St. Clair County Association is composed of hustling, pushing Knights and Ladies and will leave nothing undone to make it a grand success, one fitting the occasion.

There will be amusement galore, speeches by the great officers, games of all sorts, high diving in water tank, slack wire walking, balloon ascension, bowery dancing and vaudeville attractions, in fact a regular carnival of fun, all of which will be free. Everything will be first-class and up-to-date. Nothing cheap or objectionable. Also excursions on St. Clair river and Lake Huron; electric cars to all beaches and parks.

They want to and will make it a gala day, a jubilee which will excel anything ever given by the Maccabees anywhere.

The Mayor of the city of Port Huron has promised to turn over the city to the Maccabees and allow them full swing. Everything will be done to make the day an enjoyable one.

The weather agent has promised, pledged and guaranteed a beautiful day, no rain, no flood, no cyclones, no tornadoes; sunshine, gentle breezes, invigorating atmosphere and even temperature is to be furnished without cost. The penalty, for failure to furnish this by the weather agent, is instantaneous removal from office.

Special rates have been made with all railroads running to Port Huron, the home of the Maccabees. All trains will reach Port Huron not later than 10 a. m. Returning train will leave Port Huron about seven p. m., giving all a fine opportunity and plenty of time to witness the exercises, games, etc.

The steamer City of Holland will give an excursion from Forestville, stopping at Forester, Port Sanilac and Lexington, reaching Port Huron at 10:15 a. m.; returning leave at 7:30 p. m. The Lexington Cornet Band will furnish the music on the boat.

Advertising matter will be sent out to every Tent and Hiye in the above counties.

IT NEEDS A TONIC.
There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison. W. Scott, 331 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. Grant Holden.

More About S. G. Bettles.

Rev. S. G. Bettles has been at his home the past week, rather under the weather with an attack of fever, but he expects to return to West Virginia by the latter end of the week as he has an engagement to hold meetings next week at Clarksburg. In speaking of his new yacht, Mr. Bettles says he has already put four months work on it and still it will take 6 or 7 more months to finish it. He is building it at Sand Fork, on the Little Kanawha river, about 100 miles from Parkersburg. He is using two flat boats lashed side by side, making a sort of floating dock. When the yacht is finished, one end of these barges will be sunk and the yacht launched off. Before going to South America he may run south around Florida, up Atlantic coast and around to Great Lakes. He says he will invite the editors of Yale to take a trip to Lake Superior. He will go back by way of Chicago, through canal and down the Mississippi to New Orleans. He expects to stop at St. Louis to visit the Exposition.

The yacht is supplied with eight double berths, and will be named "Gertrude," West Virginia, U. S. A. The ship's armament will consist of 12 rifles, 12 shot guns, 12 revolvers, 12 machines and 1 rapid firing machine.

Sam speaks very kindly of the people in the Little Kanawha Valley. Says he never met a kinder or more hospitable people.

Also says that if the natives in South America don't take salvation and education he will give them damnation, which is very characteristic of Sam.

TO MY FRIENDS.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.--Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowels, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. Grant Holden.

Darkest of Africa Minstrels.

When Yale citizens start out to do something they know not the word fail. And so it is with the growing element in their undertakings.

About two months ago a comedy company was formed consisting of Howard Emery, Bert Holden, Will Hales, Earl Loree, Sam Bettles, Harry White, Jay Monroe and Charley Cavanaugh, for their own amusement and education to practice comedy dramas, minstrel performances, songs and dances. After rehearsing for a couple of weeks it was decided to give an entertainment, the proceeds of which to be used in paying for an outfit.

Friday evening last a good sized audience greeted the young men in Central Hall. To say that no one went away disappointed is putting it rather mildly. Every person present was more than well pleased with the entertainment. Should the boys decide to place another entertainment on the boards at any future time we are confident Yale would turn out a much larger crowd.

JUST LOOK AT HER.

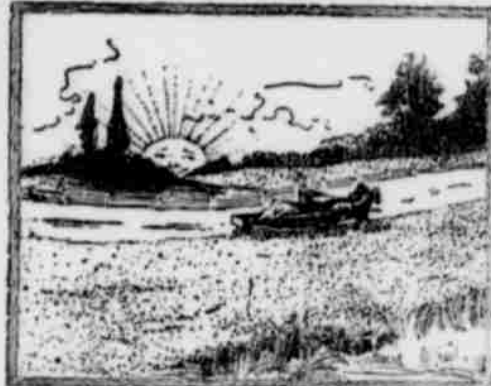

Whence came that sprightly step, faultless skin, rich, rosy complexion, smiling face. She looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result--all organs active, digestion good, no headaches, no chance for "blues." Try them. Only 25c at Grant Holden's.

We are now showing the first arrivals in new fall suits, dress and walking skirts, capes, jackets, etc., and we want you to come and see the new fabrics, shades and styles. It will pay you to make a special trip for this purpose only.
